

Sandhurst Cash Common Fund

Investment Objective

The objective of the Fund is to offer investors a professional money market style investment with the combination of competitive rates (when compared to traditional 'at call' style bank accounts), regular income, capital stability and easy access to funds.

4.25% p.a.*

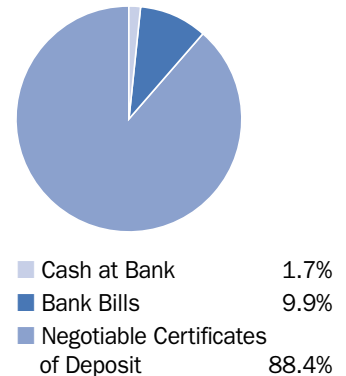

*The rate displayed is current as at 30/06/2011 and is subject to change from time to time. The rate of return payable on investments in the Fund will generally move in line with market conditions and money market rates. It should be noted that this rate is not guaranteed to investors.
