Fees and costs update

Sandhurst has undertaken an annual review of the fees and cost information disclosed in the PDS in accordance with regulatory guidance.

The purpose of the review is to update fees and costs contained in the PDS to reflect costs in relation to the financial year ended 30 September 2017 (instead of the financial year ended 30 September 2016). The review considered any difference in fees and costs between the financial years ending 30 September 2016 and 30 September 2017 respectively and any information Sandhurst has received since 30 September 2017 to the date of this PDS update. Changes in the Management costs and the Indirect Cost Ratio (ICR) were identified.

As a result, the PDS is updated as follows:
